Incident Description:

Title: Road Traffic Accident – Hit and Run Case

Date & Time: 12 March 2026, around 8:15 PM
Location: JM Road, Pune, Maharashtra

Description:
A 28-year-old male software engineer, Rahul Sharma, was riding his motorcycle home from work. While crossing an intersection near a signal, a speeding black SUV (suspected overspeeding and signal violation) hit his bike from the side.

The impact threw Rahul onto the road, causing severe injuries to his head and left leg. The driver of the SUV did not stop and fled the scene immediately (hit-and-run).

Nearby pedestrians rushed to help and called emergency services. Rahul was taken to the nearest hospital by ambulance. CCTV cameras in the area captured partial footage of the incident, including a blurred license plate.
